

PMAC | PRINCE MAHIDOL
AWARD CONFERENCE **2022**

S2

**TO WHAT EXTENT WILL THE COVID PANDEMIC AFFECT ACHIEVEMENT OF
THE SDG GOALS**

| BACKGROUND

This panel will consider what needs to change to realize SDGs by 2030?. Featuring a panel of people with differing views of how to achieve the SDGs (taking into account the threat of climate change). Emphasis will be placed on the role of economics (differing systems) and policy (differing political systems).

| OBJECTIVES

1. Consider the impact of covid-19 on the likelihood of achieving the SDGs by 2030
2. Consider what need to change for the SDGs to be met
3. What economic systems are most likely to enable the SDGs to be achieved.

Moderator

Fran Baum

Co-Chair Global Steering Council

People's Health Movement
Australia

Professor Fran Baum AO is Matthew Flinders Distinguished Professor of Public Health and Foundation Director of the Southgate Institute for Health, Society and Equity at Flinders University, Adelaide, Australia. She received an Officer of the Order of Australia (AO) for her public health service. She is a Fellow of the Academy of the Social Sciences in Australia, the Australian Academy of Health and Medical Sciences and of the Australian Health Promotion Association. She is a past National President and Life Member of the Public Health Association of Australia. She co-Chair of the Global Steering Council of the People's Health Movement – a global network of health activist (www.phmovement.org). She also served as a Commissioner on the World Health Organisation's Commission on the Social Determinants of Health from 2005-08.

She has held multiple grants from the National Health & Medical Research Council and the Australia Research Council are considering health inequities and public policy, social determinants of health and Health in All Policies. She holds an NHMRC Investigator Fellowship. which provides \$2.24m for a research program entitled "Restoring the Fair Go: which policies and practices are likely to reverse growing health inequities in Australia post-COVID-19 (see here for short video on grant <https://youtu.be/hvV4Zo8ihe4>)

She is the author of Australia's top selling public health textbook *The New Public Health* (2016, Oxford University Press) of which there are 4th editions with over 20,000 copies sold and *Governing for Health* (2019 Oxford University Press). Fran is an activist academic who advocates for a fairer, more sustainable and healthier Australia.
