

PMAC | PRINCE MAHIDOL
AWARD CONFERENCE **2022**

S2

**TO WHAT EXTENT WILL THE COVID PANDEMIC AFFECT ACHIEVEMENT OF
THE SDG GOALS**

| BACKGROUND

This panel will consider what needs to change to realize SDGs by 2030?. Featuring a panel of people with differing views of how to achieve the SDGs (taking into account the threat of climate change). Emphasis will be placed on the role of economics (differing systems) and policy (differing political systems).

| OBJECTIVES

1. Consider the impact of covid-19 on the likelihood of achieving the SDGs by 2030
2. Consider what need to change for the SDGs to be met
3. What economic systems are most likely to enable the SDGs to be achieved.

Panelist

Ronald Labonté

Professor and Holder of the Distinguished Research Chair in Contemporary Globalization and Health Equity

University of Ottawa
Canada

Ronald Labonté is Professor and Distinguished Research Chair in Globalization and Health Equity and Professor in the School of Public Health and Epidemiology, University of Ottawa. He has enjoyed a 45-year career in public health spanning government positions, international consultancies, and universities. For the past 25 years his research has focused on the health equity impacts of diverse globalization processes (he chaired the Globalization Knowledge Network for the WHO CSDH), many of which form the content of his recent book, *Health Equity in a Globalizing Era* (Oxford University Press), awarded Medical Book of the Year by the British Medical Association in 2021. He is Editor-in-Chief of the BMC journal, *Globalization and Health*, active with the People's Health Movement, a frequent contributor to its flagship publication *Global Health Watch*, and a co-editor of its forthcoming 6th edition.
